School of
Supernatural
Ministry

Welcome!

We are so excited about the potential of the NewDay School of Supernatural Ministry! This is the culmination of a dream I have had for a long time... the dream of being able to help people move to a deeper spirituality and a much greater effectiveness in their ministry and giftedness.

In all my formal training in theology, Bible, and ministry; no school, class, or professor ever called for the most important aspect of ministry training which is activation. It is when our faith is put into action that real growth takes place and the Kingdom of God truly advances. Jesus says in *Luke 11:28* that the real blessing comes not from either hearing or knowing the Word of God, but from doing the Word... from putting the Word into practice. It is in this moment of courage and risk that the sick are healed, the lost are saved, the demon cast out, hell overcome, the leper cleansed, the rejected loved, and the Kingdom of God advanced.

It is with great joy that we present to you our plan for transforming the planet. We believe this next year could be the most adventurous of your life! We invite you on this journey.

Weigh Things Out Carefully

A key note to all perspective students: We don't want to discourage anyone from attending our school. We do, however, recognize that most people cannot just add the school to an already busy calendar and hope to do it justice and get the most benefit out of it. Our recommendation would be to look at your life and decide what you can set aside for a while so you can benefit the most from this opportunity.

For many, this opportunity may be the chance of a lifetime to really sow into your faith, learning, and spiritual growth. If you have always wanted to really grow with God and truly claim your spiritual heritage, this may be your opportunity.

The Intended Results of NewDay's School of Supernatural Ministry

- To reprogram (renew) your mind so your life is transformed into authentic Christ-likeness making you a carrier of His glory
(*Romans 8:29; 12:1-2; 9:23-24; 2 Corinthians 3:17-18; Colossians 1:27*).
- To enable you to think from heaven toward earth so you are involved in imposing those things already bound and loosed in heaven (God's will) upon the earth
(*Matthew 6:9-10; 16:18-19*).
- To equip you to be able to minister through prayer to any possible human condition or problem
(*Matthew 10:7-8; Mark 16:15-18; Ephesians 6:18-20; James 5:13-16*).
- To empower you to become a blessing in the Spirit of Abraham and to bring that blessing to every place you walk, every room you enter, and every person you meet
(*Genesis 12:2-3*).
- To give you a full understanding of the Bible and God's redemptive plan revealed in the Bible. To comprehend progressive revelation first through the Old Covenant and now through the New Covenant
(*2 Corinthians 3:7-18; Hebrews 8:7-13*).
- To come to grip with God's call on your life, to understand His giftedness in your life, and to leverage these for a lifetime of fruitful ministry
(*Matthew 13:8, 23; Romans 11:29; 1 Corinthians 12:1-30*).
- To develop God's prophetic gift in you and through your life so that you fulfill your destiny to speak growth, encouragement, and power into the lives of those you live with and those you meet
(*1 Corinthians 14:1,3; 2 Corinthians 5:16-17; 1 Timothy 1:18; Joel 2:28-29*).

Learning and knowledge factors

- Fully understand the New Covenant and its advantages
- Grasp the coming of the Kingdom of God and the Gospel of the Kingdom
- Comprehend God's plan for the Church and the building of the Church around the world

Activation

A big part of NewDay School of Supernatural Ministry is the “doing of the stuff.” Jesus reminds us in several ways and on several occasions that the real blessings is not in just hearing the Word, but in putting it into practice. The goal of our school is to equip God’s people so they can effectively bring Jesus’ redeeming touch and power everyplace they walk and to everyone they touch.

In the church walls

There are a number of places where students can plug into ministries going on in the church. We want every student to be able to do effective church ministry.

Outside the church walls

This is the part that is both the most exciting and the most scary. Every day we meet and interact with people who need a touch from God. Humans are basically needy people and God’s Kingdom can meet any need. Our goal is to train God’s people to be proactive so they can, in faith, sense a need and step in to bring God’s grace and redeeming power to meet the need.
